

Putting Community First

Are you passionate about serving others? Then a career in Criminal Justice might be right for you. Criminal Justice majors work for numerous public and private organizations at the local, state and national levels. Opportunities are expected to increase for Criminal Justice majors due to many employees, who currently work in this profession, reaching retirement age.

As a student pursuing an associate degree in Criminal Justice, you'll learn how to conduct investigations ... apply critical thinking techniques to find solutions ... act professionally and ethically in a variety of situations ... and much more. Whether your career goal is a job with a public agency or private company, you'll be workforce-ready when you enter this in-demand, professional field.
