

It's All In Your Hands

Physical Therapist Assistant (PTA) is a growing field. In fact, PTA jobs are projected to grow by 26% through 2028.* The annual salary for PTAs in Pennsylvania can be as high as \$55,520.**

As a PTA major, you'll learn how to deliver physical therapy services as described in a plan of care ... communicate effectively with those involved in patient care, in an appropriate and professional manner ... demonstrate sound clinical judgment ... perform appropriate therapeutic interventions ... and much more.
