2026–2027 Verification Worksheet
Independent Student

Your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified

1. **TAX RETURN FILERS**—**Important Note:** If you (or your spouse, if married) filed, or will file, an amended 2024 IRS tax return, you must contact your financial aid administrator before completing this section.

2. **TAX RETURN NONFILERS**—Complete this section if you, the student (and, if married, your spouse), will not file and are not required to file a 2024 income tax return with the IRS.

As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2024 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.

A 2024 IRS Tax Return Transcript may be obtained through:
• **Get Transcript by Mail** – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and NOT the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
• **Get Transcript Online** – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and NOT the "Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
• **Automated Telephone Request** – 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request. • Paper Request Form – IRS Form 4506T-EZ or IRS Form 4506-T. The
